Football

Seniors

Another strong performance from the boys and if we take out the first quarter were we allowed the opposition to kick 5 goals, the remainder of the game was a strong performance, defensively. Very pleasing to generate 34 shots on goal, but most pleasing was our small forwards hitting the scoreboard. Well done to Marchy, Tyler, Boothy, Pingers, Jake Battey and Craigy.

We had an easy win on the weekend and great to see some club legends in hotdogs and tiggys playing great footy. we take on a great side in Lower today so let's get together have a crack and see what we can we can do.

Gravy and hotdogs are the ones lower need to stop can they do it? I don't think so

Ps Macca and tiggys are in career best form so maybe a call up isn't far away

Under 19's - BYE

Netball

DC1. A match up which always sees a fierce and vocal game. With only one point splitting the difference at the first break we knew things needed to sharpen up. Dominating the next three quarters our opposition just couldn't keep up with the pace. Another spectacular win, 64-35.

DC2. This match was always going to be a cracker, as it saw the two top teams going head. We started a little sloppy in a very tight and low scoring first half. Going into the second half down by 3 saw us determined to enhance our ball play. Playing much cleaner netball we came away with the win, 28-23

DC3. Playing fantastic team netball for majority of the game we built up a nice lead. Cracks started to appear late in the final quarter but we managed to keep it together and still come home with the win, 35-30.

DC4. A difficult match against the team sitting 2nd on the ladder. Displaying great team work and persistence we unfortunately were not good enough to shut down our opposition. A disappointing loss, 20-33.

DC5 had a bye.
