Latest news

Only 3 weeks left in the Season now with all three teams assured of playing Finals with the Senior's and Reserves already locked in for a second chance.

The Presidents Lunch was another successful event with our guest speaker Peter Daicos supplying all of the entertainment and a big thank you to everyone who attended.

August 26th – Sponsors day for more details please contact Steve Sampson at ssampson@wecu.com.au

Thursday Nights – Members draw continues to jackpot, but remember you have to be there to collect. Catch up with other members, past and present players, life member's and sponsors. Get all the ins and outs for the weekend's games. Who knows you might just walk out of the rooms a little richer this week.

Good Luck to all the teams.

Football

Seniors

A great come from behind victory against really good opposition. Although we should be pleased, it does highlight to us all that if we don't play to our potential for four quarters we are beatable. Well done to Boothy, Ollie, Pingers, Chappy and the backline on another strong performance.

Diamond Creek 9.10 - 64

Lower Plenty 7.12 - 54

Reserves

After a first half where things were not going our way the boys rallied together and had a much better second half, unfortunately it wasn't enough to get the win but instead a draw, not everything in footy always works out to plan and it was a great character builder for the guys.

Diamond Creek 6.12 - 48

Lower Plenty 7.6 - 48

Under 19's

We played very poorly in the first half and trailed by 40 points late in the second quarter. The second half was the complete opposite our work rate and intent to keep running was impressive and we only went down by 2 points to the undefeated top side in the end. Unfortunately we won't have any impact in finals unless we can put together 4 quarters of high work rate football. We still need to work on this.

Diamond Creek 15.11 - 101

Banyule 3.9 - 27

Netball

Round 16 was the one we had been waiting for, with 4 wins from 4 games.

DC1 had a bye.

DC2 A very physical game seeing the scores close at the half time break. With pocket rocket Jacqui Harrington having to sit off the second half after rolling her ankle, it was going to take a strong team effort to bring this one home. Gaining composure and converting from the continuous turnovers saw us take a comfortable lead and come out victors.

DC3. Dedicated netball from the onset saw us command the whole game. Outplaying our opponents in all areas of the court saw us come home with a strong win ,21-36.

DC4. A fairly even game in the beginning but the experience of the team saw us extend our lead each quarter. Steady ball play was rewarded as the goalers had a ripper of a night, bringing home another win, 36 – 28.
