

Diamond Creek Football and Netball Club

August 2017

Edition #17

NEWSLETTER

Latest news

With the home and away season finished we now look forward to our finals campaign, with all 3 sides competing should be a very exciting next few weeks.

Games this week:

Saturday 2nd September – Epping Reserve

11:55am – Reserves Diamond Creek v North Heidelberg (2nd Semi Final)

2:10pm – Seniors Diamond creek v North Heidelberg (2nd Semi Final)

Sunday 3rd September – Epping Reserve

9:40am – Under 19's Diamond creek v St Mary's (1st Semi Final)

With finals already underway for the netballers we had 3 teams competing. After a very strong win DC1 already progressing straight to the grand final, great work girls.

DC 2 & 3 will play again this Friday night, and hope to win their way into the grand final.

It would be great if as many of you can get along to support the girls help them to get over the line. Keep an eye out on facebook for times and location for the netball games.

Let's all get down to the club Thursday night for selection and let's have a massive show of support for all Diamond Creek Football & Netball sides playing over the weekend.

Good Luck to all the teams.

Diamond 45:

First number drawn last night was 45, belonging to Rod Payne & Dave Gent. Congrats Rod & Dave, you're \$450 richer.

If you are interested in becoming a Diamond 45 member please contact Dave Taylor – 0403 024 456 (limited spaces available)

Presentation Night:

Emerald Receptions in Settlement Road, Thomastown.

Thursday 28th of September (Friday is a public holiday).

7pm to midnight,

\$110 per head which gets you a 3 course meal, beer, wine, soft drink and a spot on the bus.

Table lists are up in the clubrooms or you can book online <https://www.trybooking.com/305678> or See Monica Whitmore for more information

Football

Seniors

A disappointing day, however it was pleasing to see us become more involved in the game after half time. Lots of hard work ahead.

	Q1	Q2	Q3	Q4
Diamond Creek	1.2-8	1.2-8	2.4-16	7.6-48
North Heidelberg	6.4-40	8.10-58	15.13-103	18.18-126

Goal Kickers: O. Parks 2, M. Rogneda, J. Wuelfert, T. Chapman, J. Lorey, J. Alam

Best Players: H. McDonald, N. Parks, O. Parks, W. Lowrie, D. Kambouris

Reserves

With an undermanned side we let north get the jump on us in the first half, the second half however was a much better effort, with both side scoring roughly the same amount of points. Hopefully with a few inclusions next weekend we will have a closer side to our strongest side, it's been a great effort from the guys all year and I'm very proud of their efforts so far

	Q1	Q2	Q3	Q4
Diamond Creek	1.1-7	1.5-11	5.6-36	7.8-50
North Heidelberg	5.2-32	7.3-45	14.4-88	17.9-111

Goal Kickers: T. Joseph 2, J. Barnes 2, L. Padget, L. Campitelli, T. Owen

Best Players: G. Wadeson, L. Campitelli, B. Harvy, T. Joseph, J. Wingrave, L. Padget

Under 19's

We had a slow first half in which we weren't anywhere near physical enough at the contest or willing to be accountable to our opposition. The second half was much better and we won comfortably in the end. Kye Agosta back from Knights had a great game as did Kevvy O'Regan. We now look forward to the finals starting next week and the challenge of trying to win it from fourth spot. The talent in the side is unquestionably good enough to do it. It is just a matter of being far more consistent than we have been all year in being able to put 4 quarters of football together on the day.

	Q1	Q2	Q3	Q4
Diamond Creek	2.5-17	2.9-21	7.11-53	12.16-88
North Heidelberg	2.0-12	4.0-24	6.1-37	6.2-38

Goal Kickers: J. Taylor 4, M. Lewis 3, K. Agosta 2, K. Landmann, L. Brannelly, C. Whalley

Best Players: K. O'Regan, L. Davine, K. Brick, K. Landmann, L. Brannelly

Netball

DC1 - what a way to start the finals, smashing it with a 73-37 win. Straight into the GF.

DC2 - Didn't have one of their best games resulting in a one goal loss. 30-31. They play Friday night to keep the GF hopes alive.

DC3- Had a cracking game beating this team for the first time this year 26-19. They also play Friday night to try and make the GF.
