Presidents Lunch – 24/7/21 with Kevin Bartlett

Well as far as our Seniors and Reserves were concerned, Under 19's had a bye, it was a day to forget against Eltham. Big losses can be learnt from and can help to build character going forward so let's hope this is the case as we prepare to meet Epping this Saturday at home.

Our Netballers faired better with 3 out of 5 teams winning. Congratulations to Craig Ryan who took home the \$10,000 Draw on Sunday, lucky man, after another very successful club fund raising day with comedy act, The Nelson Twins, keeping us in fits of laughter.

This week is the postponed Diamond 45 club Lunch from 12.00 noon until 2.00pm to say thank you to this great group for their continued support.

Finally the Presidents Lunch tickets are now available at \$60 per ticket with Kevin KB Bartlett as our special guest. Please contact me or the club to purchase your tickets as they will sell out quickly. Stay safe & take care.

Cheers,

SENIORS

Short and sharp this week.

Embarrassed, frustrating, unacceptable and out of character pretty much sums the day up vs Eltham. Don't get me wrong, Eltham were very very good and consistent for the whole game which I know was their mantra for the day.

Our 2nd qtr was insipid where as a collective group including the coaches we just have to accept the criticism that comes with that performance but we will not let it be a hurdle for this week and for the rest of the year. this week we roll the sleeves up and knuckle down for Epping who will have a sniff of confidence.....

We have 6 weeks to find the right chemistry, balance and structure if we are looking to play past Rd18. That starts with Epping where the challenge will be put to our boys, where personal will change from last week, positions will shuffle for acceptance and effort expected as a non negotiable.

Real simple – WHO WANTS IT?

RESERVES

Being beaten in a game of footy is one thing but it's how you lose that can determine the trajectory you as a team are on, and compared to the Round 4 loss against Eltham where we struggled to hold structures and practically gave up, this time round regardless of the score line we continued to compete. I couldn't fault the endeavour at the contest by the boys. From the first bounce and first big collision by Kev O'Regan to the last contest and big collision by Woodsy the team never gave up which shows the calibre of the players we have throughout the Reserves.

Danyon Kambouris and Jack Prosser made an immediate impact against Eltham showing their Senior experience by their ability to negate some of Eltham's influence around the stoppages and when it was required, after half time Danyon went back to play as a Back Flanker for the remainder of the game, where he used his smarts and speed to intercept several attacking drives by Eltham.

In a low scoring game by us where we only produced 5 goals Jack was responsible for 3 and playing predominantly through the mid/fwd rotation. The Whalley brothers fought hard for the entirety of the match through the mid and wing along with Honey. Woods being undersized in the ruck couldn't have done any more to fight against the 3 towering rotating Rucks assisted by Newland and Jack Elzink too.

It's clear this season that Eltham is the team to beat within the Reserves competition, with their fitness, speed and spread from contest being the yard stick by which we will work towards. However, in the interim we will lick our wounds, pull together and front up as a united group against Epping and play our tough brand of footy which has held us strong for the majority of this year.

BRONZE SPONSORS

UNDER 19s

Had the bye last week and this week at home come up against the top side Kilmore. They beat us by a couple points at their ground 3 weeks ago so a great opportunity to avenge that this week. A must win to help secure a finals berth this year.

NETBALL

Diamond Creek 1 - 75 Def Heidelberg 1 - 28

A strong team effort throughout all 4 quarters, we didn't take the foot off the pedal and reaped the rewards!

Congratulations to Chelsea Imanisani who was awarded the **Blush Cut and Style Best on Court** and Chylah Rogers took out the **F45 Best on Court**.

Diamond Creek 2 - 30 Def by Heat 1 - 36

Overall it was not our best performance, unfortunately we did not play the strong hard competitive netball we are all very capable of playing.

Congratulations to Paije Kearney who took out the **F45 Best on Court**.

Diamond Creek 3 - 14 Def by Thomastown 1 - 34

After a slow start we struggled to find our rhythm and get into the game.

Congratulations to Macy Sharp who took out the **F45 Best on Court**.

Diamond Creek 4 - 27 Def Lalor 4 - 13

We held a convincing lead for most of the game capitalizing from their missed shots with some awesome defensive work.

Congratulations to Rikki Baird who took out the **F45 Best on Court**.

Diamond Creek 5 - 32 Def Whittlesea 2 - 25

We took the court fired up knowing that a win would put us in the top 4. Continuously showing what good team work is, all players made sure they stepped up to their role and gave it all they could.

Congratulations to Emma Sargeant who took out the **F45 Best on Court**.
